Ipswich IPA

Our IPA is an unfiltered cross between an English and American IPA, with a strong, dry bitterness balanced with a slight malty sweetness. A mixture of first-rate U.S. and Belgian malts, combined with English roasted barley and highly hopped with Cascade and Warrior hops make our IPA a brewery favorite

Ipswich Oatmeal Stout

Deep, rich, and malty with hints of chocolate and coffee. It's what espresso would be if it had the gumption to be beer. We use two different hop additions, specially selected crystal malts, roasted barley, and oatmeal to give it a soft and silky mouth feel. Makes a great dessert. Or meal
