

Narragansett Lager

Roll out the Barrel: 5.0% Alcohol by Volume and 12 IBUs. A classic American lager and the workhorse of the Gansett stable. Available all year long in bottle, can and on tap!

Quality Supreme: We brew our lager with six row malt, seedless hops, corn from Iowa, our lager strain (the same one the brewery has depended on since just after Prohibition), and the purest water from Lakes Ontario and Hemlock.

Taste & Enjoy: This beer is brewed just right for drinking—crisp and refreshing. It's got more flavor than other premium lagers, yet it's one of the most drinkable beers in the world.

Narragansett Light

Roll out the Barrel: 3.8% Alcohol by Volume and 10 IBUs. Gansett Light is an instant classic that truly delivers on both flavor and refreshment. Available all year long in bottle, can and on tap!

Quality Supreme: This lighter version of the original lager is brewed with six row malt, seedless hops, our proprietary lager strain, and the purest water around. Winner of the bronze medal at the 2010 World Beer Championship. Winner of the silver medal in the 2011 World Beer Championship.

Taste & Enjoy: Taste the perfect balance of malt flavor and crisp refreshment. If you're looking to cool down after a tough afternoon of mowing the lawn, then this is the beer for you

Narragansett Cream Ale

Roll out the Barrel

5% Alcohol by Volume and 22 IBUs.

‘Gansett Cream is our first year-round craft style and is a perfect example of a Pre-Prohibition cream ale — only slightly hoppier. Available on tap and in 16oz cans, ‘Gansett Cream delivers that refreshing straight from the barrel taste of days gone by.

Quality Supreme

‘Gansett Cream is made with quality ingredients like 2-row pale, Munich, Vienna, and Cara-malt for a creamy head! We used Columbus hops for bittering and a touch of Willamette hops for a slight hop aroma. Bright gold in color and brilliant in clarity, this session ale delivers an extra pop of hop bitterness found only in cream ales of the early 1900’s

Narragansett Bock

Roll out the Barrel: 6.5% Alcohol by Volume and 32 IBUs. This year's Bock is a Helles Bock! A traditional Bavarian helles lager beer brewed to bock strength, therefore still as strong as traditional bock, but lighter in color and with more hop presence.

Quality Supreme: Brewed with Light and Dark Munich malts, Pilsner Malt, and Malted Wheat. It is hopped with Northern Brewers and Hallertau hops. Northern Brewers is a clean bittering hop and Hallertau is a classic German aroma hop associated with Bavarian style lager beers. Winner of the Silver Medal in the 2011 World Beer Championship!

Taste & Enjoy: Gansett Bock is a deeply flavorful beer with a rich golden color and a full body. It is drier, hoppier, and slightly more bitter than a traditional bock, but still with a relatively low hop flavor

Narragansett Summer

Roll out the Barrel: 4.2% Alcohol by Volume and 24 IBUs. This year, we're brewing a summer seasonal for the first time! Our Summer Ale is an easy-drinking, session Blonde Ale that pays homage to 'Gansett's original Pale Ale. Available on tap and in 16oz cans from May – August, the Summer Ale is too good to miss!

Quality Supreme: Narragansett Summer is a light session ale made with two row pale malt and citra hops. The citra hops are a very popular, newer variety that deliver aromas of citrus and passion fruit without overpowering the taste buds. The beer is blonde in color and the mild kiss of the hops complement the pale malt perfectly, making it extremely drinkable.

Narragansett Fest

Roll out the Barrel: 5.5% Alcohol by Volume and 22 IBUs. This traditional German Oktoberfest style beer is brewed with the highest quality German malt & hops. Available during the fall season on tap and in 16oz Cans.

Quality Supreme: Vienna, Pilsner, Light and Dark Munich malts make up the backbone of this beast, and Northern Brewer & Tettnanger hops are added to give it a crisp but subtle hop flavor.

Taste & Enjoy: Gansett Fest is a great example of a traditional amber-brown German Oktoberfest style beer. It is perfectly balanced with four varieties of malts and two styles of hops. This is an extremely easy drinking autumn seasonal beer, but one you will want to savor as the rich malt profile complements the crisp, but not overpowering, hop flavor perfect!

Narragansett Porter

Roll out the Barrel: 7% Alcohol by Volume and 28 IBUs. This American-style porter has robust malt flavor with a slight hop character. Available in the Winter Season on tap and in 16oz cans.

Quality Supreme:. It is brewed with chinook hops for bitterness, simcoe hops for aroma, black malt, pale malt, chocolate malt, munich malt, crystal malt, roasted barley, and ale yeast. Giving it an imperial taste.

Taste & Enjoy: Gansett Porter offers an extremely approachable craft experience that, unlike many of the other porters on the market, is not overly smoky or bitter. The Narragansett Porter has a deliciously mild chocolate flavor with just a hint of smokiness and hops to balance out the finish
